

CSEM-25 DATABASE END USER LICENSE AGREEMENT

1. Scope

This End User License Agreement (hereinafter: "License") is granted by CSEM Centre Suisse d'Electronique et de Microtechnique SA (Jaquet-Droz 1 Case Postale CH-2002 Neuchâtel, Switzerland (hereinafter: "Licensor" or "CSEM SA") to the End User.

2. Material under License

The material under License (hereinafter: "Database") is a database described in Schedule 1 composed of images acquired by a light field camera. The Database contains the actual data as well as any derivative work, products or services based on all or part of the data. In this document, the term "Database" denotes both the actual data as well as the interface to the data.

All data contained within the Database have been collected and processed in accordance with the laws applicable in Switzerland. This Database has been released for sole scientific, non-commercial use by CSEM SA. The data was recorded on the site of CSEM SA, the Computer Vision and Multimedia Laboratory (CVML). The data is stored and maintained by CSEM SA.

3. Copyright

The Database is the sole property of the Licensor and is protected by copyright. The Licensor reserves all rights to use in any way and distribute the Database. The Database shall remain the exclusive property of the Licensor. The End User acquires no ownership, rights or title of any kind in all or any parts with regard to the Database.

4. License

Subject to prior identification of the End User and signature of this License, the Database is freely available to the benefit of the End User. The Licensor grants to the End User the right to use the Database, for its own internal and non-commercial use and for the purpose of scientific research only.

The End User shall respond for any infringement of the present License by one of their subsidiaries, its directors, officers, employees and agents and/or student's. The End User may only disclose, give access, and/or transfer the rights related to the Database to subsidiaries and/or students, under the following conditions:

1. a copy of the present License has already been transferred to them;
2. the subsidiaries/students have fully read and understood all terms and conditions of the present License;
3. the access to the Database is granted under the close supervision of the End User;
4. the access to the Database is granted under the sole responsibility of the End User.

The Licensor grants to the End User the right to reproduce temporarily, to adapt, arrange and modify by any means the Database. The Licensor grants to the End User the right to rework and build upon the Database, or any component thereof, as necessary or desirable for research or technology development activity and create derivative products or services for the End User's own internal research and development. This License gives no right of any kind to the End User over the Database. The License is deemed non-exclusive and non-transferable to third parties.

5. Access

The End User may only use the Database after this License has been signed and returned to the Licensor. The End User must return the signed and dated License through the registration process of the Database server.

The Database and registration process are accessible online at the following address:

<http://www.csem.ch/csem-25-db>

6. Copyleft and Open Science

The Licensor grants to the End User the License defined under section 2 herein under the sole condition that any derivative work, product, services, scientific developments of any kind or any improvement or modification of any kind based on all or part of the Database ("Derivative Work") shall be licensed under the terms of this License.

A description of any modification of the Database/ Derivative Work shall be submitted to the Licensor at the following address:

db25@nasvision.csem.ch

Licensor shall be granted the perpetual, worldwide right to freely use, modify, commercialize and distribute the Derivative Work, free of charge without having to notify End User.

The End User shall ensure that, in the event of a modification of the Database, the substance of the Material is not altered and that the facility still operates and performs whatever part of its purpose remains meaningful. Any violation of this clause will give rise to immediate legal prosecution.

7. Distribution

The End User may not distribute the Database in any way. Small portions (screenshots) may be distributed in publications as long as the publication complies with the terms stated in this License (article 10).

The End User will forward all requests for copies of the Database at the following address:

db25@nasvision.csem.ch

8. Research

Research includes all type of scientific research, irrespective of the object under scrutiny, aimed at achieving a progress in science.

The End User may also use the Database for teaching and/or classroom use, as long as it complies with the terms stated in this License (article 10).

9. Commercial use

The End User may not use the Database for any commercial purposes. Commercial use of the Database includes, but is not limited to:

- Proving the efficiency of commercial systems;
- Testing commercial systems;
- Using screenshots of subjects from the Database in advertisements,
- Selling data or making any commercial use of the Database,
- Broadcasting data from the Database.

Any violation of this clause will give rise to immediate legal prosecution by the Licensor. Any damages and/or unjust enrichment or the like of the End User due to the breach of the License shall be immediately restituted to the Licensor together with the derivative works, products and services based on all or part of the Database.

10. Publications

Publications include, but are not limited to:

- Research papers,
- Articles,
- Presentations for conferences or educational purposes,
- Technical reports.

The End User may use screenshots of subjects in publications only if that particular subject has explicitly granted the permission to use his or her recordings in publications. The Database specifies whether a subject has given this consent to use its imagery in publications or not.

All publications that report on research that use the Database will acknowledge this as follows: "(Portions of) the research in this paper used the CSEM-25 Database made available by CSEM Centre Suisse d'Electronique et de Microtechnique SA and the University of Geneva, Switzerland." and must cite the following publication:

S. Cloix, T. Pun, and D. Hasler, "Real-time Scale-invariant Object Recognition from Light Field Imaging," in *Proc. 11th Joint Conference on Computer Vision, Imaging and Computer Graphics Theory and Applications*, Rome, Italy, 2016, vol. 4, pp. 336–344.

11. Illegal or criminal use of the Database

Any illegal or criminal use of the Database by the End User is strictly prohibited.

12. Legal Disclaimer

The Database is granted without any warranty. Licensor shall not be held responsible for any damage (physical, financial or otherwise) caused by the use of the Database. Licensor shall not be held responsible of any illegal or criminal use of the Database by the End User.

13. Jurisdiction

This License is subject to and interpreted in accordance with Swiss Law.

Any claim arising on the basis of this License shall exclusively be submitted to the Courts of Neuchâtel, Switzerland.

14. Amendments

The Licensor is allowed to amend this License at any time without prior consent of the End User. The End User shall be informed about changes and given the choice to opt out of this License within 30 days to the Licensor at the following address:

db25@nasvision.csem.ch

Without any notice within 30 days and provided the amendment is not substantial, the amendment to the License will be fully applicable to the End User.

15. Warranties

The database comes without any warranty, CSEM SA cannot be held accountable for any damage (physical, financial or otherwise) caused by the use of the Database. No legal claims of any kind can be derived from accepting and using the Dataset. CSEM SA will make its best effort to prevent any damage by keeping the Database virus free.

The End User warrants that they are authorized signatory, adult and not legally forbidden to enter into this License. The End User warrants that they have read and understood all elements contained herein and that the signature apposed hereunder is the result of a fully aware decision.

By signing this License, the End User engages to strictly respect the conditions set forth herein and to respect all the laws applicable in Switzerland in relation to data and personality protection with regard to the data contained within the Database collected and processed by the Licensor.

I have read and understood the License and will comply with it.
